

react-genova

workshop 02 – live coding and testing

Your First React Application

We'll code and test a simple app together

Learn how to create a simple client/server app in pure React.

No "Hello World" and no "Todo List", we swear.

On **December the 14th**, 2017

From **17:30** to **19:00**

@selesoft_piano_13

Speakers: A. Briozzo – G. De Palma
